O'o Hawaii Beauty Tool

ROSE QUARTZ "GUA SHA" TOOL FOR ANTI-AGING

- The ancient Chinese practice of facial gua sha moves lymphatic fluids and releases fascia for ideal skin function.
- This unique beauty tool breaks down adhesions and hardness in muscles, particularly in the jaw line. The overall effect is a significant boost of blood flow and qi to the skin.
- Regular use of this tool also improves natural hydration producing glowing skin and aiding the skin's ability to purge toxins, dirt and general buildup in the pores.
- Using O'o Hawaii's Gua Sha Tool over time will plump the skin, making lines less visible and skin tone brighter.

The Benefits of Rose Quartz:

Rose quartz is the stone of unconditional love and romance. It is the most important stone for the heart chakra and the heart, opening you up to all kinds of beauty. Not only does it promote love of others but love of self. In skincare, it promotes glowing skin while helping retain moisture. It helps improve skin elasticity, encourages lymphatic drainage and helps prevent wrinkles.
