Treat Your Senses to a Vacation With These Hawaiian-Inspired Beauty Products

Say aloha to all the yummy, tropical ingredients

by HANNAH SAVIN | COMMENT

If the shorter, colder days make you yearn for a beach vacation, you're not alone. Many of us dream of Hawaii or other exotic locales around the holidays to escape the dreariness. Known for its abundance of tropical plants, fruits and temperate climate, Hawaii is also a popular resource for heavenly-scented, nutrient-dense beauty ingredients, like coconut, passionfruit, pineapple and plumeria. The 15 beauty products ahead smell like paradise and are the next best thing when a tropical vacay is just out of your budget.

O'o Hawaii Birds & Roses Rose Quartz Hydrating + Firming Mask, \$130

This pink mask makes skin glow like you just returned from vacation. It's infused with rose quartz crystals, sodium hyaluronate and a wealth of ingredients straight from Hawaii (kukui nut oil, giant kelp, coffeeberry extract, red algae, strawberry guava and noni fruit). Wear the soothing mask for 10 minutes and enjoy plump, firm and radiant results. That time will fly by as you enjoy the rose-geranium scent — it even dries down to the comfiest finish
